

How to ✝ live the *new life*

Read the Bible every day. Besides being a light for your way, it is food for the soul. "Like new-born infants, long for the pure spiritual milk, that by it you may grow up into salvation." (1 Peter 2:2). Ask God to guide and teach you by His Holy Spirit, as you read.

Come nearer to God in prayer every day, praying in the name of Jesus, "Don't worry about anything, but in all your prayers praise God and ask Him for what you need, always asking Him with a thankful heart. And God's peace, which is far beyond human understanding, will keep your hearts and minds safe in union with Christ Jesus." (Philippians 4:6,7)

Speak to others about Christ. "Go home to your friends and tell them how much the Lord has done for you, and how He has had mercy on you." (Mark 5:19)

Join a congregation (church) of true believers in a true church. ". . . love one another as I have loved you." (John 15:12) The book of Acts and the letters of Paul are full of references to congregations and how they learn, stand together, fight false teachings and are grown in Christ. A few references of the more than fifty in the New Testament are in Acts, chapters 11, 12, 14 and 15, Romans chapter 16, 1 Corinthians chapter 14 and Ephesians chapter 5.

In temptation, call on the Lord. The book of Psalms is full of cries by David, begging the Lord to protect him against temptation, or to beg for forgiveness if he sinned. "If we confess our sins to God, He is faithful and just to forgive us our sins and to cleanse us from all righteousness." (1 John 1:9)

Always obey God. "Is anyone loves Me, he will keep my word." (John 14:23)

Do not be afraid, for Christ is with you. "I will never leave you nor forsake you. So we can confidently say: The Lord is my Helper; I will not fear; what can man do to me?" (Hebrews. 13:5)

Give yourself completely to the Lord Jesus Christ. Let Him direct your life according to His will. In this way you will find true happiness. He is the only Saviour and also the complete Saviour. He is the only one you will ever need.
